RE: ASMFC Summer Meeting: August 5 – 7, 2025 (TA 25-062)

The Atlantic States Marine Fisheries Commission's Summer Meeting will be August 5 – 7, 2025 at **The Westin Crystal City**. This will be a hybrid meeting (both in-person and remote) to allow for participation by Commissioners and interested stakeholders. The room block is now closed; if you need assistance reserving a room, please contact Lisa Carty at lcarty@asmfc.org.

The final agenda and meeting materials for the Summer Meeting are now available at <https://asmfc.org/events/2025-summer-meeting/>; click on the relevant Board/Committee name to access the documents for that Board/Committee. For ease of access, materials for all boards have been combined into one document - <https://asmfc.org/resources/management-meeting-materials/2025-summer-meeting-materials/>. Supplemental materials will be posted to the website on **Wednesday, July 30**.

Please note: the Coastal Sharks Management Board meeting, previously scheduled for Wednesday, August 6 (11:30 AM – 12:15 PM) has been canceled. The Weakfish Management Board meeting, which was previously scheduled for Tuesday, August 5 (1 – 2 PM) will now occur Wednesday, August 6 (11:15 AM – 12:15 PM). The timing of all other meetings on August 5 has been slightly modified.

The following pages contain the final agenda and public comment guidelines. Be advised the agenda's schedule is subject to change; the order in which the agenda items are listed is subject to change, and other agenda items or meetings may be added as necessary.

Webinar Information

Meeting proceedings will be broadcast daily via webinar beginning Tuesday, August 5 at 10 AM and continuing daily until the conclusion of the meeting (expected to be 11:45 AM on Thursday, August 7). To

register for the webinar, please go to:

<https://attendee.gotowebinar.com/register/8127397986650630485> (Webinar ID: 230-697-115). If you are joining the webinar but will not be using VoIP, you may also call in at +1 (914) 614-3221, access code 949-913-944. A PIN will be provided to you after joining the webinar. For those who will not be joining the webinar but would like to listen in to the audio portion only, press the # key when asked for a PIN.

Each day, the webinar will begin 15 minutes prior to the start of the first meeting so that people can troubleshoot any connectivity or audio issues they may encounter. If you are having issues with the webinar (connecting to or audio related issues), please contact Chris Jacobs at 703.842.0790.

Meeting Process

Board chairs will ask both in-person and virtual board members if they wish to speak. In-person members can simply raise their hands at the meeting without logging on to the webinar, while virtual members will raise their hands on the webinar. The chair will work with staff to compile the list of speakers, balancing the flow of questions/comments between in-person and virtual attendees. The same process will be used for public comment. Depending upon the number of commenters, the board chair will decide how to allocate the available time on the agenda (typically 10 minutes) to the number of people who want to speak.

We look forward to seeing you at the Summer Meeting. If the staff or I can provide any further assistance to you, please call us at 703.842.0740.

Public Comment Guidelines

To provide a fair opportunity for public input, the ISFMP Policy Board has approved the following guidelines for use at management board meetings:

For issues that are not on the agenda, management boards will continue to provide opportunities to the public to bring matters of concern to the board's attention at the start of each board meeting. Board chairs will ask members of the public to raise their hands to let the chair know they would like to speak. Depending upon the number of commenters, the board chair will decide how to allocate the available time on the agenda (typically 10 minutes) to the number of people who want to speak.

For topics that are on the agenda, but have not gone out for public comment, board chairs will provide limited opportunity for comment, taking into account the time allotted on the agenda for the topic. Chairs will have flexibility in deciding how to allocate comment opportunities; this could include hearing one comment in favor and one in opposition until the chair is satisfied further comments will not provide additional insight to the board.

For agenda action items that have already gone out for public comment, it is the Policy Board's intent to end the occasional practice of allowing extensive and lengthy public comments. Currently, board chairs have the discretion to decide what public comment to allow in these circumstances.

In addition, the following timeline has been established for the **submission of written comments for issues for which the Commission has *NOT* established a specific public comment period** (i.e., in response to proposed management action).

1. Comments received three weeks prior to the start of the quarterly meeting (July 14) will be included in the briefing materials.
2. Comments received by 5 PM on Tuesday, July 29 will be included in supplemental materials.
3. Comments received by 10 AM on Friday, August 1 will be distributed electronically to Commissioners/Board members prior to the meeting.

The submitted comments must clearly indicate the commenter's expectation from the ASMFC staff regarding distribution. As with other public comment, it will be accepted via mail and email.

Final Agenda

The agenda reflects the current estimate of time required for scheduled Board meetings. The Commission may adjust this agenda in accordance with the actual duration of Board meetings. Interested parties should anticipate Boards starting earlier or later than indicated herein.
